GUEST REVIEWS

Before you read any further, let me just say that when you go with Viking, you go with the best! Everything was exactly as they promised, no surprises, every convenience is thought of for the guests. Transfers/ excursions were a piece of cake. Our river cruise was so refreshing that there was always plenty of room to hang out in the Aquavit Lounge, on the bow, on the Sun Deck. I loved that we cruised during the daylight. We slid open our stateroom door (French balcony) and watched everything we happened to be cruising by. Great food and plenty of it. Lots of choices. Our Cruise Director was just fantastic. Our next cruise will definitely be with Viking. And we can hardly wait.

– UTAH GIRLS, 2019

Boarding our ship in Budapest, we felt as though we had jumped into a pile of down pillows. Our tour director advised they are here to provide a seamless cultural experience, and he proceeded to do so for the entire trip. The most challenging decision we had to make each day was whether to have breakfast in the dining room or foredeck café. Air conditioning made the staterooms always feel fresh. The technology behind the scenes in these ships is first class. We are looking forward to our next trip with Viking.
